

FAQs...

Q: How quickly will you answer my question?

A: I will check my emails as regularly as my schedule allows. Many times, it will be daily, but at times, it may be up to a week before I can get to you. Please be patient with me at first, as this is a new adventure for me, and I will try my best to do a great job for you!

Q: How many horses can I ask about in each purchase?

A: One horse, and that way I can do my best to get you fixed up all the way around!

Q: What if I don't know how to upload my video on Youtube.com?

A: My best advice is to ask a younger person :) I didn't know how to do it at first, and I just went to youtube, signed up for an account, and then I uploaded my video. Play around with it, and I am sure you will get it. Follow this link to a tutorial for Youtube.

Q: What if I don't want my question and video posted on your site?

When filling out the Ask Molly Form, this option is the last option in the form. Please answer "no" if you don't want your question, video, and answer to be posted on my site for other viewers.
